### Facilities & Hotels

Syracuse has a proven track record of successful hosting of national and regional groups such as The American Bowling Congress, National Street Rods Association, the American Baptist Churches, and the National Roller Skating Association. During the last five years the area has been host to an average of 125,000 delegates annually.

The OnCenter Complex combines three facilities in a prime downtown business district. The Onondaga County Convention Center at OnCenter measures approximately 208,000 gross square feet, including a 65,000 square-foot exhibit hall and a 22,000 square-foot meeting room/ballroom complex. The John H. Mulroy Civic Center Theater at Oncenter features three distinctly different theaters for the arts. The Onondaga County War Memorial Area at Oncenter is ideal for conventions, concerts, sporting events, cultural happenings, ice shows, and trade shows.

Most major hotel affiliations are represented in the Syracuse area and facilities are divided into three major clusters, with a total of over 6,200 rooms in Onondaga County. Carrier Circle (Thruway Exit 35) offers over 1,600 rooms, Downtown-University area over 1,000 and 7th North Street-Buckley Road (Thruway Exits 36 & 37) over 1,300.
